Tuesdays	2p - 5p	Open Studio - For those of you who are unfamiliar with what we mean by "Open Studio," let me explain... Every Tuesday we open our studio to crafters who need a place to spread out while working on a project, who are looking for inspiration from others, etc. We invite you to bring your projects in & work in the comfort of our spacious classroom absolutely free. We have a great collection of tools, die cuts, rubber stamps, deco scissors & more, which you are free to use. Open Studio is a place for you to be creative and explore new techniques. All we ask is that you clean up after yourself & return the classroom to the condition it was in before you arrived. Easy enough! Fees will be charged for excessive use of replenishable supplies such as inks, papers, etc. Now that you know what Open Studio is all about, please feel free to join us on Tuesdays
